

- 01 **Fast:** Immediately shuts off irrigation when rain is detected
- 02 **Smart:** Saves water by eliminating irrigation during rain
- 03 **Convenient:** Eliminates the need to manually shut off irrigation

MINI-CLIK® RAIN SENSOR

The Simplest Way to Automatically Stop Irrigation During Rainfall

Irrigating a landscape during a rainstorm not only results in oversaturated plants and turf, it also wastes water. Hunter's Mini-Clik rain sensor provides the simplest, most effective way to prevent sprinklers from running during or after any level of rainfall. It easily installs on any automatic irrigation system. The Mini-Clik stops scheduled irrigation when it detects a pre-set level of rain has fallen. This automatic process ensures landscapes aren't watered during a storm. Once the storm passes, the Mini-Clik allows the controller to resume normal irrigation. Mini-Clik is compatible with any Hunter system, and once plugged in, it ensures that a system doesn't water during the rain.

MINI-CLIK® FEATURES & SPECIFICATIONS

Features

- Easily installs on any automatic irrigation system
- Debris tolerant for reliable operation and no unnecessary shutdowns
- Can be set to shut system off from 1/8" to 1" of rainfall
- Includes 25' of 20 AWG sheathed, two-conductor, UL-approved wire
- Optional user-installed metal gutter mount for Mini-Clik® (order SGM)
- Warranty period: 5 years

Specifications

- Switch rating: 24 VAC, 5 A
- Wiring: 20 AWG, UL listed, typically interrupts the common ground wire between the solenoid valves and controller

Model

MINI-CLIK

Height: 2"

Length: 6"

SGM

Optional gutter mount

SG-MC

Stainless steel sensor guard enclosure for Mini-Clik

MINI-CLIK®

Model	Description
MINI-CLIK	Rain Sensor
MINI-CLIK-NO	Rain Sensor w/ normally open switch
MINI-CLIK-C	Rain Sensor w/ conduit mount
MINI-CLIK-HV	Rain Sensor for high voltage application (120/240 VAC)

USER INSTALLED OPTIONS (Specify Separately)

Model	Description
SGM	Optional Gutter Mount
SG-MC	Stainless Steel Sensor Guard Enclosure for Mini-Clik
